Hot

## INSTALLATION OPTIONS

Floor standing unit

## KEY FEATURES

- ✓ Bottom loading water cooler saves lifting heavy bottles - simply slide into place
- ✓ Chilled, ambient and hot water options
- ✓ LED night light and replace bottle indicator
- ✓ Easy to clean
- ✓ Removable drip tray
- ✓ Removable reservoir system
- ✓ Unique sliding front door
- ✓ No plumbing required
- ✓ Only requires an ordinary 13 amp plug
- ✓ Full Servicing Package included
- ✓ Order more bottled water when you need it

Storm's unique bottom loading design minimises the need for lifting heavy water bottles, making it easy for most users to simply slide the new water bottle into place. An LED indicator light alerts you when the water bottle needs to be replaced.

This robust machine is ideal for busy commercial spaces, offices and workplaces.
