KEY FEATURES

- Chilled, ambient and hot water options
- Space saving
- Premium model
- LED display shows when water is at its optimum temperature
- Easy to clean
- Dishwasher safe drip tray
- No plumbing required
- Only requires an ordinary 13 amp plug
- Full Servicing Package included
- Optional **puraguard** Antibacterial and antiviral protection
- Order more bottled water when you need it

The Avalanche water cooler is designed to fit conveniently on a kitchen or office counter-top. The compressor in this compact design provides exceptional cooling rates and runs very quietly.

Puraguard is a ground-breaking protective antimicrobial coating that can be applied to your dispensers taps on request, providing 24hr protection against the growth of microbes (bacteria, moulds, fungi and viruses). Ask us for more information, and to request this coating.

DIMENSIONS

Height:	419mm
Width:	330mm
Depth:	368mm
