Under-counter Unit

A professional, robust solution, dispensing chilled or ambient water, ideal for high volume water bottle management.

The under-counter unit can be installed under the bar counter or in remote corners of a room to dispense large quantities of water, improving efficiency in any type of venue.

The optional clamp-to-the-bar fixing makes installation simple.

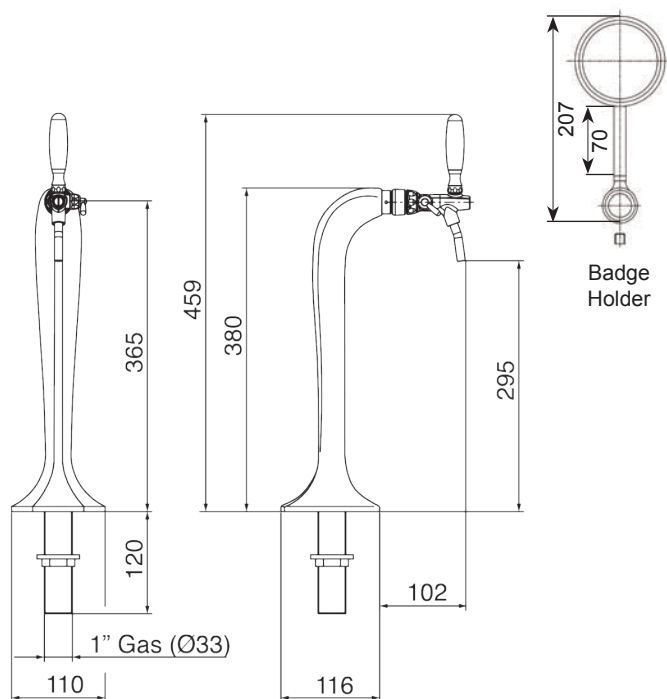

DIMENSIONS

Tap height:	481mm with badge
Tap height:	459mm without badge
Tap width:	110mm without badges
Tap depth:	218mm
Dispense height:	295mm

The Cobra Single Tap dispenses chilled filtered water, instantly from a high output under-counter unit.

The timeless design looks professional on all bars and counters, and the tall dispense height allows easy bottle and jug filling.

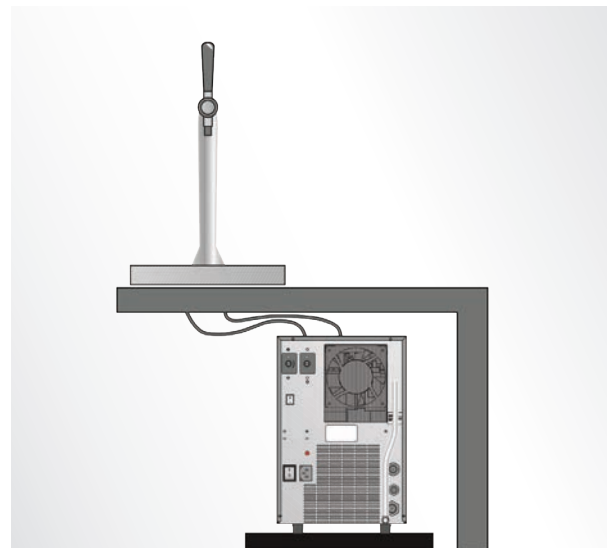

The Cobra Single Tap is supplied with one printed Pura badge as standard, making it easy to label your chosen water dispense option.
