On-the-counter Drip Tray

Recessed Drip Tray

## WATER OPTIONS

Chilled

Filtered

Sparkling

Ambient

Ideal for dispensing large amounts of either still or sparkling chilled water, the Drink Tower is perfectly suited to the hospitality industry, with many output options for bars, restaurants, hotels and canteens.

The ease of use and the choice of high quality materials guarantee maximum hygiene, and the automatic portion control makes dispensing simple in busy environments.

Couple this dispenser with an under-counter unit to meet your dispensing requirement.

## DIMENSIONS

Tap height:	458mm
Tap width:	176mm
Tap depth:	270mm
Dispense height:	338mm

The tower allows you to set two portion control measurements, small and large, enabling you to quickly and easily fill jugs and glasses at the touch of a button.

Dimensions shown in mm

**120  
bottles  
£8.95  
each**

**Add your own company logo to our 750ml glass bottle.**

Through our bespoke printing service you can brand as little as 60 bottles with your own company design and logo.

Simply supply us with your vector artwork. Set-up, delivery and full colour printing is included. All prices exclude VAT.

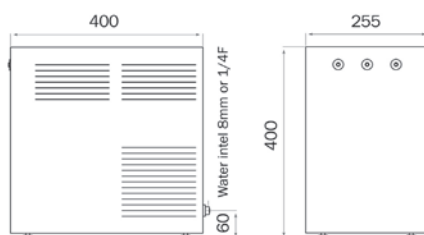

- Cut single-use, plastic bottled water
- Reduce the environmental impact of transportation and packaging waste
- Gain fridge and storeroom space
