Floor-standing

KEY FEATURES

- High volume water bottle filler
- Choose from 2 colour options
- Floor mounted
- Suitable for outdoor public environments
- Heavy duty, vandal-resistant
- Non-filtered, non-refrigerated model
- Manual push-button activation
- 316 stainless steel
- No electricity required

The Oasis OutdoorFS pedestal bottle filler is ideal for outdoor installation in busy environments. It has been designed with an open-sided alcove for easy access and vandal-resistant, corrosion-resistant cabinetry to ensure durability in any environment.

The Oasis OutdoorFS Bottle Filler is a sustainable hydration solution that promotes eco-friendly habits and reduces plastic waste and litter, refilling standard 500ml drinks bottle fast. It requires no electricity, for easy installation and maximum flexibility in placement.

DIMENSIONS

Height:	1600mm
