OPERATION

Green light:
Power ON

Pulsing orange light
Indicates heating to
standard 92°C

Solid orange light
Standard temperature range
of 92°C / 82°C

Pulsing red light
Boosting to 95°C / 96°C

Solid red light
1.5 ltr of boosted hot water of
96°C / 90°C

Hot water booster
The hot water booster is
located on the right hand side
of the dispenser. Keep finger
on booster icon until you hear
second beep. Orange or red
light will change to pulsing red.
Once pulsing stops, lights will
show red
