KEY FEATURES

- ✓ A robust and reliable system
- ✓ Simple two button operation, with built-in safety feature
- ✓ Can be installed over sink or font
- ✓ Delivers high volumes of still and sparkling filtered water
- ✓ Optional boiling water
- ✓ Fill up to 15 mugs in one draw with no temperature drop
- ✓ Designed to withstand the demands of high-use areas
- ✓ Taps are constructed of solid stainless steel for durability
- ✓ The compact under-counter units fit into a standard 610mm (24") cabinet
- ✓ Low energy consumption
- ✓ With **pura3000** filtration
- ✓ **MADE IN BRITAIN**

The Smart Tap is a compact counter-top water dispensing tap with simple button operation via its illuminated button console. This robust tap system is perfect for use in hospitality and catering venues, in the office canteen, school, gym or bar area.

Whilst being designed for use in busy public spaces, this tap system provides eco-friendly access to refreshing water, with its low energy consumption and high performing insulation.

DIMENSIONS

Tap height:	380mm commercial length spout
Dispense height:	255mm commercial length spout
Tap width with drip tray:	200mm
Tap depth with drip tray:	300mm

Call our **pura** consultant on 01392 877 172 or email hello@thirstywork.com to build your hospitality package

Simple to install at any kitchen sink. Can be installed away from any sink with the optional drip tray accessory.

OUTPUT OPTIONS

The Smart Tap is fed from an under-counter unit.

Model	Chilled litres/hr	Sparkling litres/hr	Hot litres/hr	Power	Under-counter unit dimensions (mm)

FULL WRAP PRINT AREA

Branded Glass Water Bottles

Add your own company logo to our 750ml glass bottle.

Through our bespoke printing service you can brand as little as 60 bottles with your own company design and logo.

Simply supply us with your vector artwork. Set-up, delivery and full colour printing is included. All prices exclude VAT.

- Cut single-use, plastic bottled water
- Reduce the environmental impact of transportation and packaging waste
- Gain fridge and storeroom space

Visit thirstywork.com for glass bottle printing options and pricing

AVAILABLE ACCESSORIES

Under-counter Unit

Our Smart Tap must be accompanied by our under-counter units, which fit conveniently into a standard 600mm x 600mm cabinet.

Puraguard

Antibacterial and Antiviral Surface Protection Coating.

Paper Cups

- 7oz recyclable paper cups
- 7oz biodegradable and compostable paper cups
- 4oz paper cones.

Integrated Font

The integrated font provides a stylish counter-top drain, removing the need to install the tap over a sink.

Glass Bottles

Personalised with your own company logo, our 750ml Glass Water Bottles enable you to serve high quality water while emphasising your brand.
