

## UK Water Hardness

Water hardness can greatly affect filter life. The harder the water in your area, the more frequently you'll need to replace your water filter.

**pura** water filters have various benefits, each removing impurities and improving the quality of your drinking water including:

-  **Reduction of CTO**
-  **Reduction of Scale**
-  **Reduction of PFAS**
-  **Reduction of Cysts**
-  **Reduction of PFOA**
-  **Reduction of Lead**
