KEY FEATURES

- Hot, ambient, chilled and sparkling water options
- Compact design
- Ultra-hygienic touch-sensitive control panel, treated with Sterizen® as standard, reducing bacteria by 99.999%
- Optional touchless operation via app or footpump
- 270mm dispense height to fit bottles and jugs
- Sealed, hygienic, direct-chill cooling system
- Comes complete with an internal waste kit
- Full filter change and servicing package included
- Available in black and silver
- With **pura** filtration

The B4 water cooler dispenser features a touch-sensitive control panel, designed to significantly enhance hygiene for users, completely flush with no buttons to harbour germs and other contaminants. The console is easy to use to access instant high-quality chilled, ambient, hot and sparkling water.

The large dispense area is designed to accommodate tall sports bottles and jugs, making hydration simple, and reducing the requirement for disposable cups. From boardroom tea service to sports hall water bottles, this water machine delivers uncompromised service.
